

## Hotel reservation during 11 - 12 December meeting

Stavanger is a busy city so we highly recommend you to consider your accommodation as soon as possible.

There have been booked 20 rooms for those who will join Offwind Global Expert Meeting 2013 in Stavanger. The bookings are made in two different hotels. The rooms will only be kept for a specific period of time (note dates above each hotel info). If your first choice does not have any rooms left you can book the other one.

Latest dates are before 27 November and 2 December (in two different hotels accordingly).
